DO No. M-11016/4/2023-NHM-II

Dated: 16th Dec, 2024.

Dear Sir/Madam

Please refer to the DO letter No M-11016/4/2023-NHM-II dated 28th November 2024 regarding preparation for Mid-term Review meetings and submission of Supplementary PIP proposals for FY 2024- 25 and FY 2025-2026. In continuation to the same, the schedule of Mid-term review meeting is enclosed for reference and necessary action.

2. The exercise of Project implementation Plan (PIP) under the National Health Mission (NHM) is a critical step in planning for key National and State health priorities and initiatives. I request you to carry out a detailed analysis of current budget allocations to identify potential areas for re-appropriation and further preparation of supplementary proposal, if any. It is to note that the additional budget for supplementary proposals may be sourced by re-appropriating funds from existing approved budgets. Further, I would like to reiterate that re-appropriation should not be made from approvals already given for activities of National Priorities such as Ayushman Arogya Mandir, NQAS, IPHS etc.

3. In this regard, it is requested to share the final Supplementary PIPs for the FY 2024-25 and FY 2025-26 to this Ministry by 20th Dec 2024 at email ID (pipprocess2024.25@gmail.com) to streamline the appraisal process.

Regards,

Encl: As stated.

Yours sincerely,
